| Community wide response and recovery to event – post-tropical storm Arthur | Purpose of this meeting is to review post-storm response to Arthur. EMC described comfort stations, first responder actions, and provincial coordination after the storm. Councillors reviewed NS Power and Bell Aliant actions, including reference to preventive measures taken by both companies. Provincial discussions are ongoing, and will be reviewed at both EMC meeting during the coming week, and at provincial EMO/ Red Cross conference in the Fall. Digby EMC will develop a summary |
